Lt. Col. Alexander R. Davis,
% 372nd Infantry,
Fort Dix, N. J.

Dear Friend:

I had been hoping to find time to make a trip to Fort Dix to invite Colonel Gilbert, you and Capt. Henderson to the opening game of our Negro National League baseball in Newark on Sunday, May 3, 1942.

As the time is drawing short, I decided I had better write you as you may make some other engagement for that day. I will appreciate it if you will send me the correct name and address for Col. Gilbert, Capt. Henderson and any other officers in the Camp that you feel might like to come.

If you will be around this way, I would certainly love to have you present and I will promise to try to do better in the line of entertainment than last year. I really think we have a good Club this year, most of the boys have returned from Mexico, which has strengthened us quite a lot.

Please let me hear from you as soon as possible.

Very truly yours,
